# Meet Kits

Kits makes it easy to **set up and share apps** with students or collaborators. With Kits you can:

Set up an app for your course such as a Sites@Duke site, a Box folder, or an MS Team.

ASEP 301B - 16 Sp20
Research In Asep (Lecture)

Sakai	Course Website	Student Network
Grades		

| Course Meetings | Course Files | Course Discussion |

ADD APP

⬆ This is a kit (formerly known as a toolkit).

Create a kit for your project or team. Set up shared apps such as a team listserv (Sympa) or team meetings (Zoom).

TEAM 2020-02
New Group for Class 4

Team Listserv   Team Meetings

ADD APP

Find and learn about apps you can set up through Kits in the App Store.

Sympa   Zoom   Teams

Box   Duke Wiki   Panopto

Piazza   Sakai   Word-Press

Introduction to Kits

kits.duke.edu

New to Kits? Use this guide to learn the basics.

Kits are organized by category. Use the semester dropdown to see course kits for previous semesters.

Find and learn about apps in the App Store. Current apps include Box, MS Teams, Sites@Duke and more.

Get help or logout using the account feature.

Use the ⋮ menu to add apps or people to your kit, send notifications and more.
